Journey Into Space

You are the captain of a spaceship. You and your crew are going to go on a long journey through space to set up a colony on a faraway planet.

1. Here are the five members of your crew. Give them all names and write a short character description next to each character. Make their personalities as interesting as possible.

Crew Member	Name	Character
		
		
		
		
		

2. What are you going to take with you to the faraway planet? Make a list of six important items you will need to set up a colony.

<i>essentials for setting up a colony</i>			
a.		d.	
b.		e.	
c.		f.	

3. Will you run into problems on your journey? List three things that could go wrong on your travels.

<i>possible problems on the journey</i>
